MULTIHULL

## INTRODUCTION

---

McConaghy Multihulls is the latest product range from McConaghy, drawing on our 50 years' of yacht building excellence, as well as a storied history in creating some of the world's best-known and best performing race boats.

Our continual innovation and investment in new materials and technologies, has allowed us to firmly establish our position at the forefront of progressive high-performance yacht building.

McConaghy is proud to now introduce an entire line of cruising multihulls to our portfolio, created in collaboration with world-leading designers.

The MC52, MC55, MC59p, MC60, MC63p, MC68, MC75, MC82p and MC100 each feature clean lines, apartment-style living and overall, an open and modern dynamic that simultaneously enables more comfortable cruising and better performance; a feat not yet achieved in any other line of multihull.

One of the largest models in the range, the MC68 shares much in common with the MC60, but with a crew cabin and numerous optional upgrades that make it a true 'pocket superyacht'. The extended aft deck and flybridge upgrade options allow the owner to make the most of these spaces and add their personal touch.

## TAKING MULTIHULL CRUISING TO THE NEXT LEVEL

---

At 68ft length overall, the MC68 offers increased interior volume, enhanced performance and impressive capabilities for spending long periods at sea.

The MC68's accommodation arrangement offers three guest cabins and one crew cabin as standard; a four-cabin layout (all en suite) or two variations of a five-cabin layout, which are ideal for a boat that will run with a live-aboard crew.

The MC68's wide saloon offers a versatile and spacious living area that, with large windows running the full length of the hulls and retractable glass doors aft, is exceptionally light and provides fantastic views. The galley is arranged open-plan to this area, which creates a loft apartment-like feel. This highly convivial space is particularly well suited to spending quality time with friends and family.

As with all McConaghy Multihulls, the MC68 has dual helm positions on the flybridge, allowing for the greatest sight lines forward as well as an elevated position that aids more difficult in-port manoeuvres. As standard, the flybridge features cushioned seating with the option to upgrade to an enlarged flybridge with a U-shaped bank of seating behind the helm stations, featuring a dining table and cushioned sun pads.

Interior styling comes from Design Unlimited, an award-winning studio with extensive experience in both large custom yachts and the production sector. Their attention to detail and innovative storage solutions allow living space to be maximised, with the client able to choose from an array of customisable options and a choice of three main interior colour schemes, which can be further modified.

The MC68 benefits from a carefully considered use of carbon that sees her precise hull forms achieve an optimum strength to weight ratio.

Under full sail, in a medium breeze, the MC68 points upwind with confidence, performing like a monohull. Off the breeze she will be simply exhilarating.

## GENERAL SPECIFICATION

---

LOA	.....	20M
MAX BEAM	.....	8.8M
DRAFT	.....	1.4M - 3.75M
STANDARD POWER	.....	2 X 80HP
FUEL TANKS CAPACITY	.....	600L
FRESH WATER CAPACITY	.....	600L
HEADROOM SALOON	.....	2.0M - 2.4M
HEADROOM HULLS	.....	2M
DESIGNER	.....	KER YACHT DESIGN
BUILDER	.....	MCGONAGHY BOATS
CERTIFICATE	.....	CE-CATEGORY A-OCEAN
STRUCTURE	.....	BUREAU VERITAS

### CONSTRUCTION

Constructed using a controlled vacuum infusion process and pressed panels of E-glass, carbon composite and Corecell for lightweight strength and rigidity.

### EXTERIOR FINISH

- Painted in high quality two pack polyurethane coating
- Wide variety of colours and combinations available for hull, deck and coachroof
- Non-skid areas on the side decks
- Options for Burmese teak or Flexiteak
- Below waterline surfaces finished with epoxy primer

## BASE BOAT INCLUDES - FLYBRIDGE

### FLYBRIDGE

- Twin clear carbon helm stations, layout to suit Owner's Nav/Electronics selections
